I was used 4ele yagi, which is 17m-high, & in 50w FL DX 400 (TX) & FR DX 400 (RX), both made by Yaesu. QRV 15m-SSB only, now! Thanks nice contact.
I think, "The final courtesy of a QSO is a QSL!" is very important thing! I hope, PSE keep QSL promise. Your card will be appreciated. QSL via Bureau OK.
I hope to see you again. SAYONARA from NIPPON.
Good DX to you! 73 Con PSE QSL for WAS
